Flamindigo Music

Richard Klink

"We love to help tell your story. "

We're inspired by passionate innovators who appreciate the environment.
We resonate for the projects that need a voice.
We love to help tell your story.

We are Flamindigo. Imaginative, good listeners, conceptualists and attentive perfectionists. We just happen to make music.

Welcome into our music boutique, and see whether we can tailor-make music for your project/film/commercial/play/audiobook/game
